Faye (3 Refresh)

- High Concept: Spiky Southern Gal.
- Trouble: A hidden history of profound emotional trauma.
- Willing to show affection when drunk.
- "What's the point of havin' a rapier wit if I can't use it to stab people?"
- Very protective of her friends, since she's not used to having them.
- +3 (Good): Aggressive
- +2 (Fair): Insecurity, Over-Confidence
- +1 (Average): Obsessive, Passive-Aggressive

+0 (Mediocre): Depravity

- Because I am violent and sassy, I get +2 to Aggressively creating advantages in social situations.
  - (Arm punches count since she usually uses them to set up verbal zingers rather than for their own sake.)
- Because **I am brash**, I get +2 to **Depravedly attacking composure** during verbal sparring matches.
- Because **I am uncomfortable being vulnerable**, I get a +2 to **Insecurely defending** against attempts to overcome obstacles or create advantages when people try to get me to open up.
