- Because **I am a pop-culture sponge and see patterns everywhere**, once per session I can do precisely the right thing for completely misguided reasons.
- Because **It never occurs to me not to charge**, I get +2 to **Forcefully attacking** when I should know better.
- Because **I am prone to moments of idiot genius**, I get +2 to **Flashily creating advantages** when doing something nobody else has tried before.
- Because **I'm a good listener at the weirdest times**, I get +2 to **Carefully creating advantages** in conversation with other people.
