

Momo (3 Refresh)

- High Concept: Kawaii Helper AnthroPC
- Trouble: Marigold is her best friend.
- Inexperienced with people and tolerates too much.
- Optimistic, caring and willing to get involved in people's problems.
- Excitable and has a built-in tazer.

+3 (Good): Aggressive,

+2 (Fair): Passive-Aggressive, Insecurity

+1 (Average): Depravity, Over-Confidence

+0 (Mediocre): Obsessive

- Because **I have a built-in tazer**, I get +2 to **aggressively creating advantages** where I can touch someone, or threaten to.
- Because **Marigold is my friend**, I get +2 to **Passive-Aggressively creating advantages and overcoming obstacles** using popular culture references.
- Because **I am pragmatic**, I get +2 to **Depravedly creating advantages** when blackmailing/embarrassing people in their best interests.
