

## **Pinky Pie** (3 Refresh)

- High Concept: Enthusiastic Party Animal
- Trouble: Socially Oblivious and Understands More Than She Can Explain
- Element of Laughter
- "...And whatever it is Pinkie Pie does."
- Perfect Memory... Including Of Being Alone.
- 

+3 (Good): Flashy

+2 (Fair): Forceful, Quick

+1 (Average): Careful, Sneaky

+0 (Mediocre): Clever

- Because I **don't have to make sense**, once per scene I get a +2 to **Forcefully create an advantage** assuming a hastily-summoned gadget or tool would help.
- Because I **have Pinkie Senses**, I have +2 to **Quickly create advantages** by predicting danger
- Because I **am a prankster**, I have +2 to **Flashily create an advantage** when surprising someone else.
