

Ron Stoppable (3 Refresh)

- High Concept: Irrepressible, Oblivious Sidekick
- Trouble: Eternally Out Of His Depth
- Rufus, the naked mole-rat hero
- Easily Distracted
- {When unlocked during the story: Master of Monkey Kung-Fu... Sometimes}

+4 (Great): Notice

+3 (Good): Rapport, Empathy

+2 (Fair): Lore, Provoke, Crafts

+1 (Average): Athletics, Fight, Shoot, Stealth

- **Rufus is More Competent Than Me:** Spend 1 FP to replace another skill with Rapport as you talk Rufus through a problem. Does not apply in situations where a situation aspect would prevent Rufus working – or even just if it doesn't make sense for the story.
- **Running Scared:** Move two zones for free in a conflict instead of one, providing there are no situation aspects restricting movement.
- **Sidekick at Large:** +2 bonus to Crafts when overcoming obstacles or creating advantages when Kim is in trouble.
