

## Dora (3 Refresh)

- High Concept: Queen of the Bitchy Bachelorette Baristas.
- Trouble: Outwardly together, inwardly a simmering tub of insecurity, distrust and control issues.
- Final authority (and responsibility!) at *Coffee of Doom*.
- Ex-Goth still finding herself.
- Too honest for her own good, when she's honest with herself.

+3 (Good): Insecurity

+2 (Fair): Depravity, Aggressive,

+1 (Average): Over-Confidence, Passive-Aggressive,

+0 (Mediocre): Obsession

- Because **I actually possess motivation**, I get a +2 to **Aggressively creating advantages and overcoming obstacles** in running my business.
- Because **I'm relaxed about sex, if not relationships**, I get +2 to **Depravedly creating advantages** socially.
- Because **I hide from myself**, I get a +2 to **Insecurely defending from Create Advantage and Overcome actions** regarding my issues.
