

## **Fluttershy** (3 Refresh)

- High Concept: Animal Loving Pegasus
- Trouble: Shy and Easily Frightened, but with Rage Issues
- Element of Kindness
- Can Technically Fly
- Patient to a Point
- 

+3 (Good): Careful

+2 (Fair): Clever, Sneaky,

+1 (Average): Forceful, Quick,

+0 (Mediocre): Flashy

- Because I **have Rage Issues**, I get +2 to **Forcefully overcoming obstacles** when annoyed.
- Because I **speak to the animals**, I have +2 to **Carefully create advantages and overcome obstacles** when dealing with non-pony creatures.
- Because I **know it's for their own good**, I have +2 to **Sneakily creating advantages** when convincing animals and ponies of something.
