

Marten (3 Refresh)

- High Concept: Friendly and Amiable Indie Dude.
- Trouble: Passive and Flaky Regarding the Things He Cares About.
- Nominally responsible for Pintsize.
- “Huh buh duh wha?”
- “There needs to be a word for those brief moments of clarity where you realise just how profoundly weird your life is.”

+3 (Good): Passive-Aggressive

+2 (Fair): Depravity, Insecurity

+1 (Average): Aggressive, Over-Confidence

+0 (Mediocre): Obsessive

- Because **I am approachable**, I get +2 to **Over-Confidently create advantages and overcome obstacles** in conversations with new people.
- Because **my weird-ass life has made me resilient**, I get +2 to **Passive-Aggressively defend** myself from trauma.
- Because **I am harmless**, I get +2 to **Insecurely create advantages** by being clueless and unthreatening.
