- Because I **am a glitch**, I can spend 1 FP to ignore physical obstacles. (also happens via Compels)
- Because I **have a mouth on me**, I get +2 when I **Cleverly create advantages** in conversation with people.
- Because I **am a Racer**, I get +2 when **Quickly overcoming obstacles** using a car.
- Because I **fight for my friends (if I had any)**, I get +2 to **Flashily Defending** against fear when they are in trouble.
